

APPK project VEND-KS

Arriving prepared in Germany

Continues from 04.2020-06.2022

Das Projekt wird finanziert durch den Europäischen Asyl-, Migrations-, und Integrationsfonds, die Bundesrepublik Deutschland und die Diakonie

Responsible for Kosovo: Diakonisches Werk Baden in cooperation with Diakonischen Werke Württemberg, under the implementation of APPK (Kosovo).

◆ **Project objective**

Providing such services that through individual counseling, group training and information meetings, to support Kosovo citizens in their path of legal migration from Kosovo to Germany.

◆ **Target group**

Kosovo citizens who aim the legal migration to Germany for any reasons, such as: family reunion, employment, vocational education and training (Ausbildung), studies.., who are faced with the following topics:

- The administrative aspect of family reunion, how to successfully proceed with family reunion?
- Ways or forms of searching a job place or vocational training?
- What shall I do to find a job place or vocational training?
- Ways and procedures of recognition of qualification documents, and
- Other general issues related to legal migration processes.

◆ **Important**

Interested candidates are professionally counselled and informed. The advices are provided in interest of people that are counselled (regardless of the topic of counselling). Advices are confidential. Counsellors are subject to confidentiality.

The counselling team does not provide services such as filling out various forms, searching for a job or vocational training. Such activities must be performed by the candidate himself/herself.

All services are **Free**.

The activities of the counselling team, as well as other APPK expenditures in this project, are funded by EU funds , funds from Federal Republic of Germany and funds from Diakone.

How to contact us:

1. By phone:

+383 38 554 155

 +383 38 554 166

+383 44 507 628 (also in Viber) 

Our administration takes notes regarding your request and, as soon as possible, one of associates of the VEND-KS project contacts and provides you with all the information expected from you.

2. Via E-mail in

 info@appk.org

You write your request or question, the administration forwards your request or question to one of the project associates (depending on the nature of the request or question) and as soon as possible you will receive feedback also via E-mail.

The project team will also organize:

- Group trainings on pre-integration topics in Germany, as well as
- Information meetings in group, with present topics that follow legal migration.

How to participate:

The project team announces on APPK web-site and Facebook page the day of the training or information meeting with relevant topics, as well as the instructions how to participate in these events.

All the above services continue to be provided online until the conditions are created for them to be organized in the modern premises of APPK.

You are welcome

VEND-KS project staff from APPK
